<https://www.createspace.com/>

Others of Interest:

Nanowrimo:

Where you download your file to get a word count recorded
November 1-30 every year. Write 50,000 words in 30 days.
<http://nanowrimo.org/>

© - found on your computer Use search, enter Character Map
found in the list of characters under Ariel fonts.

Q-Code Generator:

<http://goqr.me/#t=url>

Use Microsoft Word or Office Word for downloads into Kindle, D2D, & Createspace.

Writing Hints:

Avoid words that end in -ly and ' very'

Avoid repeating the same word in the same paragraph or page.

Can be located by using the Find function in Word.

Watch your time element and out of sequence scenes.

Use Grammarly - free program you can download or use separately.

Use <http://www.onlinecorrection.com/> for also catching grammar errors.

Don't double space between paragraphs except by a separator to another scene

Open a Facebook or favorite online social account and see what writing groups
are talking about.

Have fun!
